**RESPECTED MADAM,**

**SUB: FIRE AUDIT REPORT FOR YOUR INSTITUTE PREMISES**

We thank you and your team for the curtsey and help extended while carrying out the inspection and auditing at your premises. And we are pleased to inform you that the hard copy of the report submitted as required, however in conclusion we would like to express as below.

Every possible preventive step and protection methods should be implemented to control the fire threat in its incipient stage and prevent any untoward incident that can happen by adapting suitable Incident management system.

We the team would like to take up the suggested job work at the earliest, however we are ly satisfied with sincerity, promise and approach of the management to make the occupied premises as a safe area to attain the goal without compromising on inmate's safety.

We the team once again is grateful for the curtsey extended during our visit.
