Sahaya Student's Club
Report on Celebration of World Environment Day

Date: 08-06-2022

Time: 12:00 – 1:30 PM

Global Institute of Management Sciences has a unique practice of having students clubs for student cultural, sports, and social activities. The Sahaya club was inaugurated on 08.06.2022 of the academic year 2022-23. Every year the Sahaya club celebrates World's Environment Day. Students and faculties have done the procession around the college premises. Principal Dr. Geetha M Rajaram planted a sapling on the college campus on World's Environment Day followed by the HOD of the Department of Computer Applications and Commerce and Management along with the staff. College students distributed saplings to the neighborhood.

In conclusion, this year's World Environment Day has once again underscored the urgent need for global collaboration in the face of environmental challenges. The theme, [Insert Theme], has prompted individuals and organizations worldwide to contemplate their ecological footprint and take meaningful steps towards sustainability. From tree-planting initiatives to awareness campaigns, the collective efforts have shown that change is possible when we act together.

The day has not only provided a platform for highlighting the importance of environmental conservation but has also encouraged dialogue on innovative solutions and policy changes. It is evident that the actions of each person, community, and nation contribute to the larger narrative of environmental stewardship.

Report on
Blood Donation camp
In association with Rotary Club

Date: 19/12/2022

The Sahaya club of GIMS has organised blood donation and health check-up camp in association with Rotary Club on 17/12/2022 at college campus.

The event was began at 9.30 in the morning and concluded by 3.00 pm in the evening. Students from the courses have participated volenteerly. Both PG and UG students actively participated in blood donation.

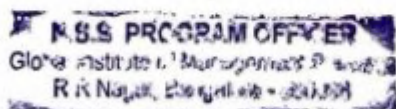

Rotary club gave certificates and fruits and juice for the blood donors. Total 73 students donated 300 ML blood each. Rotary Club appreciated with certificate for the efforts taken by college as well as NSS wing for working towards social cause.

Our blood donation camp at GIMS has been a resounding success, thanks to the enthusiastic participation of both students and faculty. The event not only aimed to raise awareness about the importance of blood donation but also showcased the incredible spirit of compassion and generosity within our college community. Throughout the day, we witnessed a steady stream of donors eager to contribute to this noble cause. Their selflessness and commitment to saving lives exemplify the values we hold dear at GIMS. The positive energy and sense of unity displayed during the camp have left an indelible mark on our campus.

We would like to extend our heartfelt gratitude to everyone who played a role in organizing and executing this event – from the organizing committee and volunteers to the medical staff and donors. Your dedication and hard work have made a significant impact on the success of the blood donation camp. The collected units of blood will go a long way in helping those in need and supporting hospitals and healthcare facilities. The knowledge shared about the importance of regular blood donation and its impact on the community will hopefully inspire more individuals to participate in such initiatives in the future.

Thank you once again for your support, and let's continue to foster a culture of care and compassion within our college community.

Dear Sir

Sub: Request for Voluntary Blood Donation Camps
ಆ ಸ ಉ ಉ ಉ ಉ ಉ

As you are aware, Red Cross Society is an international Humanitarian Service organization dedicated to the cause of suffering humanity both in the time of war and in peace. For 10 decades. It is Constituted under the Act of parliament Known as Indian Red Cross Society Act XV- 1920. The Red Cross in the state / District has maintained a 24-hour blood center, helping the poor and needy with safe blood.

Human blood is an essential element of human life with no substitute. Voluntary blood donors are the cornerstone of a safe and adequate supply of blood and blood components. Only voluntary blood donors can help to maintain an adequate supply of blood to save the lives of those who in need. They are the source of safe blood too.

The Indian Red Cross Society, Blood Transfusion Services, has shouldered the responsibility jointly with the Government of Karnataka and other non-governmental organizations to provide safe blood to the poor and needy since 1969. In the present situation, we experience a shortfall in the collection of blood. So, in order to deal with this situation, we ask for your help in directing those responsible for organizing a voluntary blood donation camp in your Organization and Branches .

Why should blood donation drives only be conducted in collaboration with the Indian Red Cross Blood Centers?

- The Red Cross is an international organization and works as an axillary to the Govt. of Karnataka, assisting people in need during and after disasters and natural calamities.

100 years of minimizing, alleviating and preventing human suffering

26, Red Cross Bhavan, 1st Floor, Race Course Road, Bengaluru - 560 001.

Blood Bank : 080-22268435, 22340844, 9035068435

- As per the Dept. of Higher Education, Govt. of Karnataka, order, it has mandated colleges to conduct voluntary blood donation camps in collaboration with the Indian Red Cross Society's Blood Center.
- The Indian Red Cross Society is following the Govt. mandated rates and provides free blood to those in need, including cancer and thalassemia patients.
- A heartfelt donation of one unit of blood can help those you care about the most. Blood donations will be used judiciously and will be given to those in need, especially those in remote areas of Karnataka who are awaiting treatment from government hospitals.

Refreshment and Recovery

- After donating blood, we will provide snack and something to drink in the refreshment area.
- Free Mini Health checkup as part of pre-donation Screening.
- They will leave after 10-15 minutes and continue your normal routine.
- Enjoy the feeling of accomplishment knowing you are helping to save lives.
- Take a selfie, or simply share your good deed with friends. It may inspire them to become blood donors.

Note:

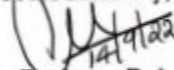

We noticed that many people are using the name of the Indian Red Cross Society to hold voluntary blood donation camps in colleges and universities. Hence, you are requested to contact the following authorized individuals in order to organize- a blood donation camp.

Mrs. Reshma Rai M. Blood Center coordinator on 9353743508

Report
On Eye Check-up Camp
In association with Dr Agarwal's

Date: 21/12/2022

The Sahaya club of GIMS has organised blood donation and health check-up camp in association with Dr. Agarwal's on 20/12/2022 at college campus.

The event was begun at 9.30 in the morning. Students of all the courses took part in eye check-up camp. Dr. Agarwal Hospital staff and doctor total 6 member has come with all the necessary equipment's to conduct eye check camp. Total 382 students were done with eye check-up. For few students doctor suggested for further treatment at their hospital. Along with students teaching and non-teaching staff of GIMS made their eye check (total 35 faculties)

The eye camp was successful in providing much-needed eye care services to the community. The outcomes indicate a positive impact on the participants' eye health, and the event contributed to raising awareness about the importance of regular eye check-ups. Despite some challenges, the overall success demonstrates the potential for future eye camps to make a significant difference in the community.

Sir, the camp is required for NAAC purpose + also for CSR activities. Request permission to conduct the same. No financial implications involved.

TO:

Principal

Global Institute of Management Sciences (GIMS) Bangalore

Respected Sir

Greetings from Dr. Agarwal's Eye Hospitals.

Dr. Agarwal's Eye Hospital was founded by Late Dr. J. Agarwal (recipient of the Padma Shri award) and his wife Dr. T. Agarwal in Chennai, India, in 1957. What was initially an eye clinic and their home evolved into a modern eye hospital in 1976. Today we have 70+ hospitals spread across 11 countries. To cater to the growing needs of eye care in Bangalore and its adjacent areas, we have a network of 9 Eye Hospitals comprising of a tertiary center at Bannerghatta Road and 8 secondary centers at Whitefield, Koramangala, Yelahanka-New Town, RR Nagar, Rajaji Nagar, Indiranagar, Coles Road, Padmanabhanagar & also at Hubli & Mysore.

Why Dr. Agarwal's Eye Hospital?

We are listed as "A Major Eye Center of the World" by the International Congress of Ophthalmology and ranked among top 5 eye hospitals of India.

Standardized Care

Treatments offered in any Dr. Agarwal's clinic across the world are standardized to our global benchmarks.

AIDS Awareness & Self defence program

In association with Rotary Club

Date: 19/01/2023

The Sahaya club of GIMS has organised awareness program for students in association with Rotary club of Bangalore. The program was begun at 12 pm with 6 members of Rotary club. Total 150 students were attended this program and 15 students took membership of Rotary club after the program.

The awareness program was about how Rotary club is serving the society and what are the social services a student can do as a member of the club. They also expressed the need of such social serves in present scenario. Students got lot of input on functioning of the Rotary club and achievements of it. 15 students got inspired by the services and took membership in the club by the end of the program.

The Health Matters program successfully addressed key health-related topics and engaged college students in meaningful discussions about their well-being. The positive outcomes observed indicate the potential for continued initiatives to foster a culture of health and wellness on campus. The organizing committee acknowledges the support of all participants and aims to build on this foundation for future health awareness programs.

16.	Summary of the Event (Minimum 100 words)	Let us carry the essence of India Republic Day beyond this moment. As citizens, it's our duty to uphold the values of democracy, equality, and justice in our daily lives. 26th January is celebrated as Republic Day in our country. On this day in 1950, the constitution of our country was formally adopted and India became a fully sovereign state. The fundamental law of the country, the Constitution, was enacted out of the diligence and hard work of great men like Mahatma Gandhi and the numerous freedom fighters who fought and sacrificed their lives for the independence of our country. So, the 26th of January was declared a National holiday and has been recognized and celebrated as the Republic Day of India ever since

7.	Rationale (Objectives): Key Take away: (Enclosure 1):	<u>Objectives:</u> Infectious diseases are caused by a range of microscopic organisms including viruses, bacteria, parasites and fungi that pass from one person to another. These organisms may affect people in different ways, resulting in a variety of symptoms and degrees of illness. They can lead to significant disease and disability in people of all ages and are a major cause of death among children globally <u>Key take away:-</u> The immune system is primed to recognize and

		produce antibodies against the virus it was created to defend. Booster shots are administered to remind the body's immune system about the virus it needs to defend against. This improves or gives the immune system a boost.

15.	Feedback Collected? (Enclosure 7)	NA
16.	Summary of the Event (Minimum 100 words)	A booster is given when a person has completed their vaccine series and the immunity protection against the virus begins to decrease with time, as data has shown," Sandy said. "The additional doses are strictly to improve the immunity response of those moderately to severely immunocompromised individuals." These individuals are especially vulnerable to COVID-19 and are more at risk of serious, prolonged illness. Their level of immunity following the original doses of the vaccine is lower than people who are not immunocompromised, Sandy said. "This isn't because the vaccine isn't effective. It's because the immune systems of these individuals need the additional dose or doses as part of their primary series to reach the level of immunity that best protects them from severe illness or hospitalization,"

16.	Summary of the Event (Minimum 100 words)	In India, a land of diverse cultures, traditions, religions, and languages, maintaining unity among people is crucial. At a time when many princely states of India were divided, Sardar Vallabhbhai Patel held on to the vision of a united India and advocated for it. Therefore, National Unity Day is celebrated to recognize the endeavors of Sardar Vallabhbhai Patel to unite the country. In this event all the teaching non-teaching staff were presented for this program.

16.	Summary of the Event (Minimum 100 words)	India celebrates its 75th Independence Day as 'Azadi Ka Amrit Mahotshav' to commemorate its freedom. 15th August, 2021 was a day of immense pride and joy for all Indians. On this day, we Indians celebrate our heroes and freedom fighters that sacrificed their lives for the nation, to bring us the freedom, peace, and joy. Global Institute Of management Sciences, celebrated the 75th Independence Day with great pride and enthusiasm. The cultural program like Drama, Fashion show, group singing and dance was rendered to the soldiers, who spend their lives separated from friends and family, in their service to our nation. The day came to an end with the distribution of snack boxes to all our students and staff members. India is one of the youngest nations in the world with millions of youths joining the workforce each year. The industry is looking for a productive and skilled workforce. We are at the helm of 75 years of Independence, it seems to be the right time to evaluate and measure the growth and re-imagine where we need to be and what the path that can take us there is.

7.	Rationale (Objectives): Key Take away: (Enclosure 1):	Objectives: The purpose of the International Day of Yoga is to increase public awareness of the various advantages of yoga practice. Balance is the key component of yoga, not simply balance within the body or between the mind and body, but also equilibrium in one's interaction with the outside world Key take away:- if we can fine-tune our chords of health and hope, the day is not far away when the world will witness the success of healthy and happy humanity. Yoga can help us make this happen, says the PM.

		- o In the Gita, Lord Krishna while explaining Yoga has said-'Yoga: Karmasu Kaushalam', meaning the efficiency in karma is yoga, and efficiency in action is yoga. - o Yoga has emerged as a force for unity and deepens the bonds of humanity. It does not discriminate. It goes beyond race, colour, gender, faith and nations. Anybody can embrace Yoga. - o People can fine-tune the chords of health and hope, the day is not far when the world would witness the success of healthy and happy humanity. Yoga can help us make this happen.

7.	Rationale (Objectives): Key Take away: (Enclosure 1):	Objectives: The aim of this Object is to provide an update on the knowledge surrounding the role of children in the transmission of SARS-CoV-2 and the role of schools in the COVID-19 pandemic, focusing in particular on the experience in EU/EEA countries since the beginning of the pandemic. This document also addresses transmission to and from staff in school settings, school-related mitigation measures including risk communication, testing, contact tracing, and the effectiveness and impacts of school closures. This document draws upon and updates evidence presented in the

		previous reports from ECDC on this topic, which were published in August 2020 and December 2020. This report does not consider educational settings related to young adults or adults, such as universities or vocational schools or any school with overnight stays, such as boarding schools. <u>Key take away:-</u> • it is important that testing strategies for educational settings aiming at timely testing of symptomatic cases are established to ensure isolation of cases and tracing and quarantine of their contacts. When positive cases are identified, the school should be informed, contact tracing should be initiated according to local guidelines, and communication to and the testing of close contacts, ideally with rapid diagnostic tests, should be considered. • While a measure of last resort, school closures can contribute to a reduction in SARS-CoV-2 transmission, but are by themselves insufficient to prevent community transmission of COVID-19 in the absence of other non-pharmaceutical interventions and the expansion of vaccination coverage. The effectiveness of school closures appears to have declined in the second wave as compared to the first wave of the COVID-19 pandemic, possibly in part due to better hygiene measures in school settings. o .

16.	Summary of the Event (Minimum 100 words)	Flood is one of the most severe disasters affecting people across the globe. India is the worst flood-affected country in the world accounts for one-fifth of the global death count due to floods. Nearly 75 per cent of the total Indian rainfall is concentrated over a short monsoon season of four months (June-September). As a result, the rivers witness a heavy discharge during these months, leading to widespread floods. About 40 million hectares of land in the country is liable to floods according to National Flood Commission, and an average of 18.6 million hectares of land is affected annually. The annual average cropped area affected is approximately 3.7 million hectares. The most flood-prone areas in the country are the Brahmaputra, Ganga and Meghan River basins in North and North-east India. These rivers carry 60 per cent of the nation's total river flow. The other flood-prone areas are the west-flowing rivers such as the Narmada and Tapti in the north-west region; east-flowing rivers like Mahanadi, Godavari, Krishna and Cauvery in Central India and the Deccan region

16.	Summary of the Event (Minimum 100 words)	Let us carry the essence of India Republic Day beyond this moment. As citizens, it's our duty to uphold the values of democracy, equality, and justice in our daily lives. 26th January is celebrated as Republic Day in our country. On this day in 1950, the constitution of our country was formally adopted and India became a fully sovereign state. The fundamental law of the country, the Constitution, was enacted out of the diligence and hard work of great men like Mahatma Gandhi and the numerous freedom fighters who fought and sacrificed their lives for the independence of our country. So, the 26th of January was declared a National holiday and has been recognized and celebrated as the Republic Day of India ever since
